The all new Glensford Sports Club!

Following the huge success of holiday activities and our Samba soccer sessions, it gives us great pleasure to announce that from 18th October 2007, Glensford will have an all new sports club for children aged six years and above!

The club will run from the Village Hall on a Thursday evening from 5pm. The first hour will remain as Samba Soccer and the second hour will offer a variety of sporting activities including basketball, team games, rounders, kwik cricket and more.

We are holding taster sessions on 18th and 25th October 2007 from 5pm where all interested children are invited to attend for free!

From 1st November the Club will open its doors properly and the fees will be £1.50 for an hours session or £2.00 for two hours.

The sessions are run by two qualified coaches with the help of volunteers.

Village Hall Extension

We are now at the stage to draft rough plans for the proposed extension to the village hall. Our present hall is so busy that we cannot take any more regular bookings, plus we have four football teams that need changing rooms.

We have spoken with grant officers from Babergh, and are working in conjunction with them and the planning department to bring the project to fruition.

A working party has been set up involving all Users of the Hall who gave their input as to the type of facilities they need and we hope to take the more practical of these onboard when undertaking the drawings.

LOGO COMPETITION

We had some cracking entries to our Logo competition and it was difficult to make a choice for the Winner. However it was decided that Mrs. Pittendrigh's simple design of the word Glemsford with a flowing F to represent the river, was the Council's first choice, so congratulations to her. The logo will be displayed on all Parish Council documentation from now on. Mr. Coote was chosen as the second place and Mr. Watkinson as the third. All entrants have now been sent their prizes.
