Glensford Sports Club Streetlighting

The Sports Club is still running on a Thursday evening from 5pm to 7pm. We provide a variety of sports for children, and have qualified coaches to run the sessions. All children aged 6 and upwards are welcome to attend. £1.50 per hour or £2 for the whole session. For further details please call the Clerk, or just turn up on the night.

After many months of waiting, we finally seem to have sorted out the lighting issues along Hunts Hill. The last remaining light is due to be fixed on 30th November 2009. If you have a street light near you that is not working, then please telephone the Clerk to report the fault.

Telephone Box

BT have announced plans to dispose of some telephone boxes in the area. Amongst those earmarked is the one that is currently sited on Fair Green. The Parish Council are hoping to adopt the box and then have it moved to another area. The box will not be functional but we would like to keep it for the village for its historical value. A resident has kindly volunteered to move the box in order to help the community, together with one of our parish councilors so it should not cost us anything for the re-siting.

Litter Pick

Some of you may have attended the very successful Litter Pick on 1st November 2009. The event was organised by Mrs. Anna Davies of Slades Close, and Parish Council would like to take this opportunity to thank Anna for her efforts, and also to thank everybody who turned out despite the terrible rain and wind, to help

Advertising

If you would like to advertise your business in future editions of the Glensford Gossip, then please contact the Clerk for details. The fee is £5 per advert.

Footpaths etc

If you spot any overhanging bushes or dangerous footpaths or footways anywhere in the village, please report these to the Clerk. We can not do anything about them unless they are reported to us, and it really helps if all homeowners can keep their boundaries clear so as not to obstruct the footways. Thank you.
